(5) **Proposed PLCB Regulation #54-89** Distributors Accepting Credit Cards from Licensees

Rodrigo Diaz, Chief Counsel, presented the proposed regulation. Mr. Diaz explained that, under the Liquor Code, licensees are only permitted to accept certain types of payment for alcoholic beverages. However, there is a catchall provision that allows the Board to expand the permissible types of payment through the promulgation of regulations. Mr. Diaz indicated that the proposed regulation would allow distributor and importing distributor licensees to accept credit card payments from other licensees. Mr. Diaz noted that, currently, distributor and importing distributor licensees may only accept credit card payments from non-licensees. Mr. Diaz further indicated that the proposed regulatory change would make the acceptance of credit cards discretionary, and not mandatory. Mr. Diaz also noted that distributor and importing distributor licensees may increase the prices on their products to offset the fees involved with using credit cards. Finally, Mr. Diaz briefly explained how this regulation will need to proceed through the regulatory review process prior to becoming a final promulgated regulation.

Motion Made: Board Member Negra
Seconded: Chairman Holden

Board Decision: Unanimously agreed (2-0 vote) to start the regulatory review process with regard to Proposed PLCB Regulation #54-89.
