Administrative Law Judge  
Appeal

**Motion Made:** Board Member Negra  
**Seconded:** Board Member Brion

**Board Decision:** Attorney Michelle Fox from the Office of Chief Counsel explained the case. The Licensee was cited for sales to a minor. The ALJ sustained the citation, imposed a three thousand dollar (\$3,000.00) fine, and ordered RAMP compliance. The Licensee appealed the ALJ's determination, but the appeal was filed late. On appeal, the Licensee claimed several bases for the late appeal, including financial hardship. Ms. Fox indicated that none of the reasons claimed by the Licensee would justify allowing the late appeal and that the evidence presented before the ALJ supported that Licensee's bartender had served a minor. The Office of Chief Counsel recommended affirming the ALJ and dismissing the appeal.

Member Brion asked for some clarification regarding the Licensee's argument on appeal.

Ms. Fox explained that the Licensee's argument focused primarily on the reasons for the late filing and the financial hardship that the Licensee has experienced. However, she also noted that the Licensee had already paid the three thousand dollar (\$3,000.00) fine.

Unanimously agreed (3-0 vote) to Affirm the ALJ and dismiss the appeal.

Note: Board Minutes are not officially approved until all required signatures are affixed.

**(3) Regulation - Management Contracts**

Proposed Regulatory  
Changes

**Motion Made:** Board Member Negra  
**Seconded:** Board Member Brion

**Board Decision:** Attorney Rod Diaz from the Office of Chief Counsel explained the proposed regulatory change. Mr. Diaz stated that there are currently some conflicts in the law regarding owners of licensed establishments and management companies. He indicated that management companies are currently prohibited from having a pecuniary interest in the operation of a licensed business. However, the PLCB has received industry feedback indicating that this is not working. Therefore, the proposed regulatory changes would delete the provisions that prohibit management companies from having a pecuniary interest in a license. Mr. Diaz indicated that the proposed changes will need to be submitted to the Independent Regulatory Review Commission for its review and then proceed through the regulatory review process. However, he does not believe the proposed changes will have any adverse impact, and he does not anticipate any pushback regarding these proposed changes.

Member Negra asked Mr. Diaz if these proposed changes were needed to bring things into the 21<sup>st</sup> century with regard to management agreements.

Mr. Diaz responded by indicating that the industry expressed a need for the change because of difficulties they were experiencing, and these proposed changes will address the concerns raised accordingly.

Unanimously agreed (3-0 vote) to Accept the Proposed Regulatory Changes.

Note: Board Minutes are not officially approved until all required signatures are affixed.

**(4) Regulation – Right to Occupy**

Proposed Regulatory Changes

**Motion Made:** Board Member Negra  
**Seconded:** Board Member Brion

**Board Decision:** Attorney Rod Diaz from the Office of Chief Counsel explained the proposed regulatory change. Mr. Diaz stated that, under current PLCB regulations, licensees are required to establish that they have the right to occupy the premises to be licensed, which must be evidenced by a deed, lease, or bill of sale. However, an issue was raised by licensees that some management companies do not have formal lease agreements. The proposed regulatory change will allow the right to occupy requirement to be satisfied through other written documentation. Mr. Diaz indicated that this is a final form regulation which has already been presented to the Independent Regulatory Review Commission. The only comment that was received during the review process was from the Independent Regulatory Review Commission, which requested that the PLCB check with the Gaming Control Board to make sure the proposed change would not have unintended consequences for casinos. The PLCB checked with the Gaming Control Board, and the Gaming Control Board did not have any issues with the proposed regulation.

Unanimously agreed (3-0 vote) to Accept the Proposed Regulatory Changes.

1. Town-Gown Implementation Project Proposed Site Selection

The Town-Gown Phase Two Implementation project is a continuation and expansion of the pilot involving colleges/universities and communities in the assessment of their Town-Gown relations and the development of a strategic plan. This project will continue to focus on the prevention of underage and dangerous drinking in these Town-Gown communities.

2. Alcohol Education Conference Request

Each year since 2001, the Bureau of Alcohol Education has offered an annual training conference focused on the latest information, programs and trends related to reducing underage and dangerous drinking.

Approve the \$10,000 National Alcohol Beverage Control Association (NABCA) educational grant award for the purpose of supporting the annual training conference for the spring of 2016.

**Motion Made:** Board Member Negra

**Seconded:** Board Member Brion

**Board Decision:** Member Negra requested clarification as to whether the Board was being asked to approve the concept for expenditure on the annual training conference, assuming that the grant is received. Mr. Waters responded by indicating that approval was being sought for the expenditure on the annual training conference assuming that the grant will be awarded to the PLCB by NABCA. Mr. Waters further indicated that if the PLCB is not awarded the grant from NABCA, he would come back to the Board and request separate approval for the monies to be allocated from the Bureau of Alcohol Education's budget to be used for the training conference.

Unanimously agreed (3-0 vote) to Approve the \$10,000 grant from NABCA for the PLCB annual training conference for the spring of 2016.

Note: Board Minutes are not officially approved until all required signatures are affixed.
