- (1) **Excessive False Alarm Violation**  
Wine and Spirit Store No. 5185  
180 West Girard Avenue  
Philadelphia, Pennsylvania 19123  
**Case No. 15260452244**

Appeal to the City of Philadelphia’s  
Office of Administrative Review

Note: Board Minutes are not officially approved until all required signatures are affixed.

Rod Diaz, Chief Counsel, explained that the City of Philadelphia issued an enforcement notice assessing a fine against the PLCB for excessive false alarms at this location. Mr. Diaz indicated that the PLCB is statutorily immune from such actions based on sovereign immunity. The PLCB tried to explain this to the City of Philadelphia at the initial enforcement hearing. However, the City of Philadelphia disagreed and issued another notice maintaining the assessment of a fine, albeit for half of the initial amount. Mr. Diaz explained that given the number of stores that the PLCB operates within Philadelphia, this issue has the potential to become problematic. Mr. Diaz also noted that other municipalities around the Commonwealth have tried to pursue similar actions against the PLCB for alarm issues, but that such municipalities have consistently agreed to discontinue those actions after it was explained to them that the PLCB is statutorily immune.

**Motion Made:** Board Member Negra  
**Seconded:** Chairman Holden

**Board Decision:** Unanimously agreed (2-0 vote) to Appeal to the City of Philadelphia's Office of Administrative Review.

**Board Decision:** Unanimously agreed (2-0 vote) to Approve Noise Exemption until March 9, 2017.

(3) **Final Form Regulation –**  
No. 54-83

Posting of Extension Applications

Rod Diaz, Chief Counsel, explained that this regulatory change was previously before the Board in its initial form. He indicated that the proposed regulation would amend an existing regulation to increase the posting time for extensions of licensed premises from fifteen days to thirty days in order to be consistent with the current statutorily-prescribed time period. Mr. Diaz noted that there were no public comments received relative to this regulation, but that the Independent Regulatory Review Commission had one comment through which it was requested that a pertinent case citation be added to the supporting documentation for the regulation. Mr. Diaz indicated that the requested case citation has been added to the supporting documentation, and the regulation is now ready to proceed in its final form through the regulatory review process.

**Motion Made:** Board Member Negra  
**Seconded:** Chairman Holden

**Board Decision:** Unanimously agreed (2-0 vote) to Continue with the Regulatory Review Process for this Regulation in its Final Form.

Note: Board Minutes are not officially approved until all required signatures are affixed.
