- (2) **CITY OF LANCASTER** Municipal Petition for
Case No. 16-NE-10 Exemption from Statute
Regarding Amplified Sound

Board Member Newsome asked Rod Diaz, Chief Counsel, if it is common for a municipality to request a noise exemption for the entire geographic area comprising a municipality like is being done in this instance.

Mr. Diaz explained that municipalities have the discretion to determine the geographic parameters of the areas for which they request noise exemptions. He further indicated that municipalities do occasionally request noise exemptions to cover their entire geographic areas.

Motion Made: Board Member Negra
Seconded: Board Member Newsome

Board Decision: Unanimously agreed (3-0 vote) to Approve Noise Exemption for a Period Extending from July 15, 2016 to July 15, 2021.

- (3) **WITHDRAWAL OF FINAL REGULATION # 54-85** Proposed withdrawal of
LIMITED WINERIES regulatory changes

Board Member Negra asked Rod Diaz, Chief Counsel, to explain the action being requested.

Mr. Diaz explained that the PLCB had previously started the process of pursuing a regulatory change in order to make the PLCB's Regulations regarding limited wineries consistent with the Liquor Code. However, the Legislature subsequently passed Act 39 of 2016, which among other things, amended the Liquor Code's provisions governing limited wineries. As such, the regulatory changes that were being pursued are no longer consistent with the Liquor Code. Thus, Mr. Diaz indicated that it is necessary to withdraw the proposed regulatory changes, and then start the process over with different regulatory changes that are consistent with Act 39.

Motion Made: Board Member Negra
Seconded: Board Member Newsome

Board Decision: Unanimously agreed (3-0 vote) to Approve Withdrawal of Final Regulation #54-85.

- (4) **WITHDRAWAL OF PROPOSED REGULATIONS** Proposed withdraw of both
#54-86: MANAGEMENT CONTRACTS; AND regulations from IRRC.
#54-89: DISTRIBUTORS ACCEPTING CREDIT CARDS FROM
LICENSEES

Note: Board Minutes are not officially approved until all required signatures are affixed.

Board Member Negra asked Rod Diaz, Chief Counsel, to explain the action being requested.

Mr. Diaz explained that the PLCB had previously started the process of pursuing regulatory changes regarding management contracts and distributors accepting credit cards from licensees. However, the Legislature subsequently passed Act 39 of 2016, which among other things, amended the Liquor Code's provisions regarding management contracts and distributors accepting credit cards from licensees. Mr. Diaz further explained that the Act 39 amendments effectively accomplish the same changes that were being pursued through the regulatory process. Therefore, the proposed regulatory changes are no longer necessary.

Motion Made: Board Member Negra
Seconded: Board Member Newsome

Board Decision: Unanimously agreed (3-0 vote) to Approve Withdraw of Proposed Regulations #54-86—Management Contracts and #54-89—Distributors Accepting Credit Cards from Licensees.

Board Member Negra asked John Metzger, Executive Director, to provide some explanation as to the third and fourth actions being proposed.

Mr. Metzger explained that, with the passage of Act 39 of 2016, there are significant changes that will be occurring to the PLCB’s operations, and those changes need to be implemented within a relatively short period of time. As such, he indicated that the third action being proposed would allow the PLCB to contract for consulting services to oversee and manage the changes that need to be implemented. Mr. Metzger noted that this would lessen the impact on the PLCB Executive Team and employees so that they can continue to effectively fulfill their existing day-to-day functions and responsibilities.

Mr. Metzger further explained that, because of Act 39, the PLCB will need to make significant changes to its current wholesale operations so that it can adequately provide services to wine expanded permit holders. He noted that the PLCB is actively trying to find someone who is experienced to oversee and manage the new wholesale processes, but that this will take some time. He indicated that, in the meantime, the fourth action being proposed would allow the PLCB to contract with an experienced outside consultant to meet this need.

Mr. Metzger concluded by adding that these are the type of actions that would be taken in private industry in order to address substantial operational changes similar to those required by Act 39.

Announcement for Ratification of a Board Action..... *Chairman Holden*

The following Board Action approved on June 20, 2016 was decided by Notational Voting by Chairman Tim Holden, Member Mike Negra and Member Michael Newsome since the Board’s last public meeting:

Act 39 requires the PLCB to become a wholesaler shipping direct to grocery stores, convenience stores, “big box” retailers, etc. who have restaurant liquor licenses and obtain the new “wine expanded permits”. A new spur to the Dematic Materials handling system will be needed to accommodate the increase of palletized loads needed for a smooth delivery to these new customers.

The Board unanimously agreed (3-0 vote) to approve the procurement action request from the Office of Supply Chain for the Conversion to Palletizing Project for the Philadelphia Distribution Center in the amount of \$475,000 to the Dematic Corporation
