PUBLIC MEETING – 11:00 A.M

CALL TO ORDER ................................................................................................. Chairman Holden

Pledge of Allegiance to the Flag

Board Secretary John K. Stark indicated that a quorum of the Board was present, and Chairman Holden called the meeting to order.

OLD BUSINESS .................................................................................................... Secretary Stark

A. Motion to approve previous Board Meeting Minutes of the December 15, 2021 meeting.

   Motion Made: Board Member Negra
   Seconded: Board Member Isenhour

   Board Decision: Unanimously agreed (3-0 vote) to approve previous Board Meeting Minutes.

PUBLIC COMMENT ON AGENDA ITEMS

The Board has reserved 10 minutes for Public Comment on printed agenda items.

Caller John Waltman stated that he was opposed to the potential approval of the City of Scranton’s municipal petition for exemption from the Liquor Code statute regarding amplified sound. He then stated that a “problem bar” exists in his neighborhood and that, though seven citations have been issued by the Bureau of Liquor Control Enforcement (“BLCE”), efforts to resolve situations with the local police have been futile.

According to Mr. Waltman, a representative of the local police department had acknowledged approximately 4,000 complaints within a single year related to noise from the establishment during a hearing pertaining to the municipality’s petition. Despite the numerous complaints, Mr. Waltman suggested that the police department will continue to ignore the fact that there is a problem.
Chairman Holden asked Mr. Waltman to confirm the identity of the licensee giving rise to the noise problems, and he subsequently explained that the Board’s approval of the noise exemption would grant additional authority to the local police department and therefore be conducive to a resolution.

Chief Counsel Rodrigo Diaz then indicated that though the Board had yet to vote on the agenda item, the Board had indeed reviewed the hearing examiner’s recommendation, the hearing transcript, and testimony from Mr. Waltman as well as city officials. He also affirmed that the Board was aware of Mr. Waltman’s concerns and would have the authority to impose restrictions pertaining to the noise exemption (e.g., expiration after a certain period) should it be granted.

Board Member Negra requested clarification regarding how citations are issued when a noise exemption is effective, and Chief Counsel Diaz stated that a noise exemption generally gives a municipality exclusive authority to enforce noise restrictions based on a demonstrated ability to do so.

Caller Brent Davis then stated that he is a property owner in Scranton and a performer at the establishment related to Mr. Waltman’s noise complaints. He indicated that one of his performances resulted in a citation but that he is currently very conscious of noise levels and suggested that Mr. Waltman’s issues with the establishment may not be based on the actual circumstances.

City of Scranton
Case No. 21-NE-21

Motion Made: Board Member Negra
Seconded: Board Member Isenhour

Board Decision: Unanimously agreed (3-0 vote) to approve noise exemption from January 12, 2022 to January 12, 2023.

Chairman Holden indicated that most noise exemptions are effective for more than a single year and emphasized the fact that the Board would have the ability to reevaluate this particular noise exemption upon its expiration.

Regulatory Change – Samples for Promotion

Proposed Regulation

At Board Member Negra’s request, Chief Counsel Diaz explained that this proposed regulation would update the Board’s regulations as they pertain to samples provided to licensees from vendors. He indicated that the aforementioned regulations had not been updated for several decades and that the revisions involve the use of a different formula associated with retail price, the elimination of certain record keeping requirements, and the ability to obtain increased quantities of alcohol which may be used for the provision of samples. Chief Counsel Diaz affirmed that alcohol used for samples would still need to be labeled appropriately and that quantities of such alcohol provided to licensees would be limited.

Chief Counsel Diaz then indicated that should the Board approve the proposed regulation, it would subsequently be published in the Pennsylvania Bulletin. The public as well as the Independent Regulatory Review Commission (“IRRC”) would have opportunities to comment on the proposed regulation and any such commentary would be considered before the presentation of a final proposed regulation to the Board.

Motion Made: Board Member Negra
Seconded: Board Member Isenhour

Board Decision: Unanimously agreed (3-0 vote) to approve proposed regulation.

Tisha Albert, the Director of Regulatory Affairs overseeing licensing gave some background:  
This case involved a licensee with a hotel license which required at least 16 rooms to be available.
