A. Motion to approve previous Board Meeting Minutes of the February 23, 2022 meeting

Motion Made: Board Member Negra
Seconded: Board Member Isenhour

Board Decision: Unanimously agreed (3-0 vote) to approve previous Board Meeting Minutes.

PUBLIC COMMENT ON AGENDA ITEMS

There were no public comments or questions on the printed agenda items.

B. Announcement by the Chairman for Ratification of a Board Action.

The following Board Action approved on February 27, 2022 was decided by Notational Voting after the adjournment of the Board’s last public meeting on February 23, 2022.

The recent unprovoked invasion of Ukraine by Vladimir Putin’s Russia has outraged the rest of the free world. In turn, people have attempted to find ways to show support for the people of Ukraine, and to express their revulsion with the unprovoked actions of the Russian state. Currently, the Board sells two listed items made in Russia – Russian Standard 80-proof vodka and Ustianochka 80-proof vodka. The Board also makes available five Special Order items that come from Russia.
Chairman Holden, Member Negra and Member Isenhour agreed (3-0 vote) to approve the removal of the two listed brands and the five Special Order items so they will no longer be available for purchase.

NEW BUSINESS

*From the Office of Chief Counsel* .............................................................. Rodrigo Diaz, Chief Counsel

(1) **Rotunda Brothers, Inc.**

t/a Batdorf Restaurant

Appeal from the Adjudication and Order of Administrative Law Judge.

At Board Member Negra’s request, Chief Counsel Diaz explained that this agenda item as well as the following pertain to citations issued to related companies. He indicated that an appeal was filed by the Bureau of Liquor Control Enforcement in reference to a decision by the Administrative Law Judge (“ALJ”) to dismiss a citation which was issued because the Licensee allowed a limited distillery to operate on its premises on a single date (i.e., April 18, 2020).

The ALJ acknowledged that the limited distillery had operated on the Licensee’s premises and that he had in fact sustained citations of a similar nature based on one occurrence, but also considered the likelihood that the current Board’s position would be inconsistent with his previous rulings. Chief Counsel Diaz then affirmed that in Pennsylvania State Police, Bureau of Liquor Control Enforcement v. Price King South, Inc. t/a Rhythm House Café, Citation No. 03-0384 (May 5, 2004), the Board determined that proof of a third party operating on a licensee’s premises on at least two occasions is necessary in order to establish grounds for the charges which gave rise to the citations at issue.

Chief Counsel Diaz stated that the appeal focused on the ALJ having sustained similar citations as well as potential challenges associated with enforcement, but in the interest of consistency recommended that the Board affirm the dismissal of the citation(s) by the ALJ.

**Motion Made:** Board Member Negra  
**Seconded:** Board Member Isenhour

**Board Decision:** Unanimously agreed (3-0 vote) to affirm Administrative Law Judge.
